THE VINTAGE 2021 began with a very dry winter, yielding very small, concentrated berries. The most predictable weather conditions, with no heat spikes, allowed incredibly long hangtime on the vines. These idyllic conditions produced wines of exceptional quality, loaded with bright acidity, rich structure, intense tasting notes and a long-lingering, elegant finish.

CRITICS' REVIEWS

“

...Deep garnet-purple in color, it storms out of the glass with powerful scents of black cherry compote, warm cassis, and redcurrant jelly, followed by hints of licorice, fertile loam, black fruits, and lilacs. The full-bodied palate is densely laden with energetic black fruit and earthy layers, supported by firm, fine-grained tannins and bold freshness, finishing on a lingering anise note.”

THE WINE INDEPENDENT

“

The 2021 Cabernet Sauvignon is another inky, concentrated, yet incredibly pure and impressive 2021 from this estate. Blackcurrants, crushed stone, graphite, violets, and scorched earth notes all define the aromatics, and it hits the palate with medium to full-bodied richness, a layered, balanced mouthfeel, and some serious yet perfectly ripe underlying tannins.”
