TECHNICAL NOTES

2023 VINOVILLE SAUVIGNON BLANC

Napa County · Sonoma County

The best of both worlds: 65% Sonoma County fruit from Sonoma Valley, Carneros Sonoma, Dry Creek Valley, Moon Mountain and Russian River Valley, and 35% Napa County fruit from Madrigal Vineyards in Calistoga, sourced prior to Hundred Acre's acquisition.

VINTNER'S COMMENTS

With vineyards bathed in golden California sunlight and cooled by coastal breezes, the wine captures a perfect balance of vibrant acidity (Sonoma County) and lush fruit character (Napa County). Its aromatic profile bursts with layers of stone fruits (white peaches, nectarines & apricots), quince, pear, hints of lychee, and floral notes. On the palate, the wine is bright and refreshing, rounded out by oceanic minerality that reflects its unique soil composition.

Pair this delightful Sauvignon Blanc with shellfish (oysters, lobster, shrimp scampi) or a white fish ceviche for the perfect dinner party. Its convenient screw cap, fun label, and crowd-pleasing qualities make this wine ideal for poolside, beachside, lakeside, or even out-at-sea sipping. This Sauvignon Blanc is a true expression of its origin, marrying complexity and elegance in every sip.

CRITICS' REVIEWS

“

Gooseberry and pink grapefruit blossom mark the nose with shades of kiwi. This is fresh, neatly-textured stuff that is drinking great in its vibrant youth. Drink 2025–2030.”

OWEN BARGREEN

“

The 2023 Vinoville Sauvignon Blanc bursts with vibrant aromas of citrus blossom, limes, fresh-cut grass, and tropical fruits like passionfruit and guava. On the palate, it delivers a zesty, mouthwatering acidity balanced by notes of lime, green apple, and a subtle minerality that adds depth. A lively, well-balanced white that leaves a lasting impression of freshness and finesse.”
